Excellent Course Evaluation 2020 / 2021

Certificate awarded to Mitra Nasri Nasrabadi
for the course
Applied combinatorial algorithms (5LIG0)

Dear Mitra,

The course Applied combinatorial algorithms (5LIG0) that you taught in Q2 of the academic year 2020/2021 received excellent student evaluations. We congratulate you on this achievement and thank you for the efforts you have put into the course.

On behalf of the Program Management,

Mark van den Brand
Program Director of the BSc and MSc program Computer Science & Engineering
